

Barnes Elementary Family Access Request Form

You only need to apply once for all of your children attending Kelso School District.

*Note: Not all of Kelso schools are using **ALL** components of Family Access.*

The administration and staff at Barnes Elementary recognize that parents would like to play a greater role in their student's education. To make it easier for you to get involved, we are providing you with the ability to access information anytime, day or night, as it relates to your student. We are excited to begin this new process for parents and hope this access will be a benefit to you.

The software that makes this possible is our student information system known as Skyward PAC Family Access. Family Access will be available on-line. To use this system you will need to have access to the Internet, an email account, and a login/password.

If you would like to utilize this tool to monitor your student's education and progress, please fill out the form below and bring it to the main office at Barnes Elementary. You will need to show picture identification at that time in order to receive your login and password for all your Kelso School District students.

Please provide me with a login and password so I may use Skyward PAC Family Access.

Student Name(s) & Schools _____

Grade(s) _____

Parent/Guardian Name _____

Parent/Guardian Signature _____

Please Note: The Kelso School District and Barnes Elementary cannot provide technical support for this application, as it is web-based, through Skyward. For specific computer/software problems, please consult your computer dealer, software vendor, or Internet provider.
