

**Kelso School District  
Application for Exception to Board Policy 2410**

**FINAL COPY**

Student's name: \_\_\_\_\_ Today's date: \_\_\_\_\_

Date of birth: \_\_\_\_\_

We would like to request an exception to Board Policy 2410 so that the above named student can participate (walk) in the graduation exercises in June. We understand that this student is not eligible for a Kelso High School diploma at this time. It is our expectation that this student will return to Kelso High School to finish his/her program and that a diploma will be issued when the program is completed.

**Plan for completion of Kelso High School program:**

The student/family must identify a plan for this student to complete his/her program at Kelso High School. This plan must have the signature of an administrator from Kelso High School to verify that it is a workable plan. For special education students the IEP or transition plan could fulfill this request (please attach a copy—see #3 below).
